Dear Fellow Abilene Voter:

Our friend Sam Chase has committed to continue his volunteer service and dedication to our community by running for re-election to the Abilene City Council, Place One. Sam has earned and deserves our continued support and our vote to make Abilene the best place in Texas to live and work.

Abilene has prospered during Sam's time as part of our current City Council team. We are experiencing growth and development on Interstate 20, plus new business opportunities and higher paying jobs in our Pine Street Corridor and Industrial Park, thanks in part to DCOA assisted Wind Energy, IT, Biotech and Texas Tech University related expansion.

We've enhanced our university educational alliances, continue to improve our parks, Zoo and airport facilities, restructured our Code Enforcement and neighborhood support programs, upgraded our streets and sidewalks, added a new north side library and begun a downtown infill development master plan.

We are currently developing water permits and resources to insure our future such as Cedar Ridge Reservoir and Lake Ft. Phantom Hill, along with studying additional effluent and underground water uses. All of these and more, including enhanced police and fire department benefits, facilities and equipment, as well as expanded facilities and programs for senior citizens are being accomplished while remaining fiscally responsible with our award winning city budget.

Sam has continually pushed for the opportunity for every citizen to have input into our local government through appointment of committees for numerous matters that could affect your taxes and quality of life. Sam has encouraged precedent setting public debate on important issues like the no smoking ordinance, senior citizen tax freeze and the merits of using taxpayer money to purchase Diamondback golf course. Sam voted along with the entire city council team, in a 7-0 unanimous decision, to let Abilene voters decide whether or not you wanted to use a portion of your sales tax dollars for youth sports and tourism. Sam listens to our concerns, studies the issues, asks the right questions and believes your opinion is important. We need to keep that kind of leadership on our City Council.

To continue serving, Sam needs your vote NOW! Nothing happens unless you VOTE! Please ask your friends and contacts to VOTE for Sam. We see this as a continued investment in the future of Abilene. We hope you do as well. Early voting is April 27 to May 5, 2009! Election day is May 9, 2009!

Thank you!
